

COMBINED CONTAINERBOARD

7741 School Rd., Cincinnati, OH 45249

Specialty Tapes & Applications

Specialty tapes, including closure, reinforcement, and tear tape, have many applications in everyday corrugated. Combined Containerboard in Cincinnati, OH has an automated specialty taper capable of precise, high speed tape application.

Closure Tape

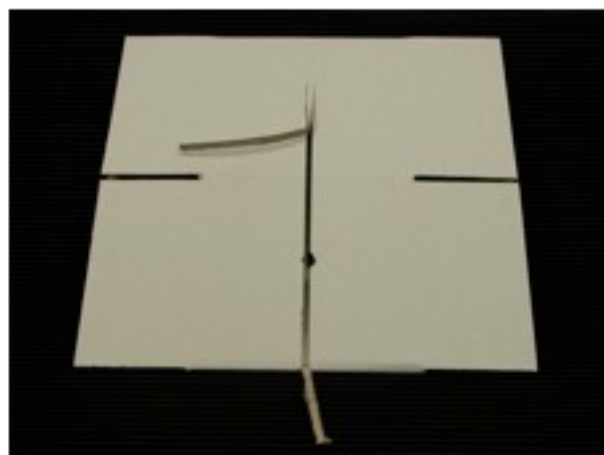

For fast and secure sealing, closure tape affords excellent performance against mechanical stress, humidity and temperature.

Reinforcement Tape

Allowing your package additional strength and durability, reinforcement tape can be added with precision and is able to be die cut.

Tear Tape

Klean Kut Tear Tape (KKT2) offers a unique, clean opening feature for "shelf ready" packaging.

Additional information and specifications for each type of tape can be found on our website, at www.corrchoice.com under [Featured Services](#).
